

Field Trip to Sanborn Park!

Our class will be going to the Youth Science Institute in Sanborn Park on Tuesday, November 27th from 8:30-10:30. This trip will align with our Science standards, allowing students to observe live animals and a variety of objects that illustrate structure, function and adaptation. Please indicate below if your child has permission to go on the trip and if you are able to drive. Remember, if you drive your current insurance and TB clearance must be on file with the office. Please return as soon as possible. Thank you!

(Cut Here and Return Bottom Portion Only)
